

Kaiser Elementary Community Meeting

Tuesday, May 15, 2012

NOTES

Upcoming Board Meetings-

- **May 23rd**- Facility Master Plan
- **June 13th**- Bond Measure
- **May 30th**- All City Safety Patrol @ Scottish Rites Center

What we'd like to see in September-

- Definition of what "Quality" means
- Clarity regarding parameters for deciding relocation or on-site expansion
- Fire Hydrants- Clarification on requirements & options
- Back Entrance Options to site in order to talk w/ CalTrans
- More details regarding timelines (Summer meetings, construction, and discussion of programmatic options/expansion)
- Invitation & training regarding The Bond Measure
- Clearer comparative costs between on & off-site expansion
- Fleshed out program details (Loading, program offerings, schematics/plans, OUSD's commitments to Busing & Transportation)
- What happens to Kaiser site if the school relocates
- Encourage recreational neighborhood use of school site.

Questions-

** Most questions received a reply during the course of the meeting. All questions will be revisited in the smaller working group meetings.*

- **Funding of expansion-** If Bond pass/fail and we do not make the priority list, what happens?
- **Class Size-** What is the max vs. minimum number of students?
- **Health & Safety-**Where is ADA issues in these places?
- **Expansion-**What about traffic?
- Will traffic control be provided during before/after-school program hours?
- **Enrollment Increase-** How will we know that type of facilities and the programmatic needs of students?
- What will the total approximate cost be?
- Will there be more school closures?
- How can we make the case to leave the school as is?

- What is clear? What have we ruled out? (K-8?, etc?)
- **Diversity-** How do we bring awareness to everyone?
- How do we continue to expand the diversity of multi- racial LGBT, families with disabilities (which is a huge part of quality at Kaiser)
- How will we include more 3rd grade African American males to our program?
- How did we go from closure to expansion? What kind of expansion would make it worth it? How will expansion affect the program?
- If bond measure doesn't pass, is there an option to leave the school as is, or do we have to relocate as the cheaper option?
- How do we select 100 new students?
- Is it more cost effective to take more students in than 100 students?
