## Your Feedback Matters!

### Updated SPF Reports!

**We have corrected some errors, and revised some metrics** that has resulted in an **Updated SPF v1.0 Report 2.6.16.**

Academic Status		Attendance		Academic Growth	
Overall Tier	3.91	Overall Tier	3.91	Overall Tier	3.91

[UPDATED SPF 1.0 Reports 2.6.16](#)

**THIS REPLACES YOUR PREVIOUS SPF REPORTS!**

**What's New?**

**We have corrected All Survey Participation Rates**

*\* Previous reports inadvertently did not calculate the correct rates of participation - therefore schools will see more accurate participation rates listed.*

**We have adjusted STUDENT survey results for Culture & Climate and SEL Surveys to only represent the required grade levels for 2014-15 (Grades 5, 7, 9, & 11)**

*\* This means if schools had grades other than 5, 7, 9, and 11 participate in 2014-15, only the results from the above grades are included in the SPF - therefore, some schools will see a slight increase or decrease in Survey performance results for this indicator based on the results of the specified grade levels.*

**NOTE: for 2015-16 ALL students in grades 5-12 will be surveyed.**

**FEEDBACK**

**"N" Reports** have also been **UPDATED** to reflect slight changes in tiering and performance results.
